

The Board of Directors, volunteers, of Faith Feeding Freedom Foundation DBA Faith Feeding Freedom. We have not or will never turn down anyone from our Feedings or Functions based on each person's social or economic status, gender, gender identification, ethnicity, religion, age, sexual orientation, and physical or mental abilities. We respect and value diverse life experiences and know we are all created equally and by God.

We value the visible and invisible qualities that make you who you are.

We welcome that every person brings a unique perspective and experience to advance our mission and progress our fight for the end of homelessness, health, education, and financial stability of every person in "Our Community".

We believe that each community member, donor, volunteer, advocate, and employee must have equal access to solving community problems.

We strive to include diversity, equity, and inclusion practices during our feedings and functions.

We commit to using these practices for our nonprofit in "Our Community"
